USMC SEXUAL ASSAULT DISPOSITION REPORT (SADR)

EXAMPLE CASE SYNOPSIS

(E.G., COURT-MARTIAL CHARGE(S) PREFERRED: Victim reported that Subject raped (what offense investigated) her. NCIS (or list other agency) conducted an investigation. Charges were preferred for (sex related and/or non-sex-related offenses). An Art. 32 hearing was held. The preliminary hearing officer recommended dismissing the (sex-related) charges due to insufficient evidence; however the PHO recommended going forward with non-sexual assault charges (if applicable). After reviewing the investigation, PHO's report, consulting with the SJA, (other JAs if applicable), considering the views of the victims (or victim was notified of the opportunity to provide views, but did not do so), the convening authority referred the following charges (list the articles) to a (level of court-martial) (if applicable) and dismissed the sex-related charges. The Subject was found guilty at a SCM of drug use.

(E.G., NO CHARGE(S) PREFERRED: Victim reported that Subject wrongfully touched her breast and buttocks. NCIS (or list other agency) conducted an investigation. The convening authority reviewed the investigation and considered the views of the victim. After consultation with the SJA (list others JAs if applicable), the convening authority took no further action on the reported offenses due to insufficient evidence (or other reason listed in SADR - victim declination, unfounded by command)

(E.G. CHARGES REFERRED: Victim reported that Subject forcibly anally sodomized him. NCIS (or list other agency) conducted an investigation. Charges were preferred. An Art 32 was held and the Victim and SJA consulted. The convening authority referred (list the Articles) to a GCM. The Subject was convicted of (list offenses) at a GCM.

I, (b) (3) (B), (b) (6) the Sexual Assault Disposition Authority, prior to taking the action described in this form have reviewed: (check all that apply)

☒ Report of Investigation ☒ Views of Victim ☐ Attempted to consult Victim, but Victim did not provide views

☐ PHO report (if applicable) The views from: (if applicable) ☒ VLC ☐ RTC ☒ TC

☐ Other documentation (if applicable) List:

I have consulted with (b) (3) (B), (b) (6) prior to making this decision. Below is a brief summary of facts and procedural history of the case: (use sample format as shown in examples above)

SJA NAME

On 6 June 2018, (b) (3) (B), (b) (6) (Victim) made an unrestricted sexual assault report alleging that (b) (3) (B), (b) (6) and (b) (3) (B), (b) (6) attempted/threatened to penetrate the victim's anus over his clothes. The incident reportedly occurred on 20 May 2018, between 2100-0300 hours, in Bldg 2447, Rm 314, Camp Hansen, Okinawa, Japan. NCIS conducted a full investigation and ultimately the victim declined to participate in any court-martial proceedings. There is no additional corroborating evidence and without the victim's testimony there is insufficient evidence to proceed to trial.
